The chain known for making it easy to get a great night's sleep is working to make some sweet dreams for itself in San Antonio.

Houston-based **Mattress Firm Inc.** recently opened a new store at the Alamo Ranch shopping center on San Antonio's far West Side.

It's a momentous opening for the chain: The Alamo Ranch store marks the 500th outlet in the country for the firm, which was founded in 1986.

"The opening of our 500th store is extremely exciting for all of us at Mattress Firm, and we're happy to be hitting this milestone in the great city of San Antonio," says Gary Fazio, who is the CEO for Mattress Firm.

According to the company's Web site (www.mattressfirm.com), the retailer currently has 30 locations in greater San Antonio -- including the new Alamo Ranch store.

"Through all of our growth over the past couple of years, our focus has remained on our commitment to provide an unparalleled shopping experience for our customers," Fazio adds. "And we look forward to doing just that at our newest location."

The chain features mattresses by several top manufacturers -- including Sealy, Simmons, and Stearns & Foster.
