Burrito chain is rolling out new stores in San Antonio

San Antonio Business Journal - by [Tricia Lynn Silva](#)

Freebirds World Burrito, a well-known maker of monster-sized, foil-wrapped burritos, is adding some spice to three area shopping centers.

First up is a new restaurant at far West Side shopping center Alamo Ranch. That outlet is slated to open at the end of this month.

Later this summer, two more Freebirds will make their debut. A store at North Central retail property Plaza del Norte is set to open in mid-July. Then comes a Freebirds at Stone Ridge Market, which is located on the city's far North Side. The restaurant is scheduled to open for business in early August.

The new sites join two existing Freebirds restaurants — one at Northwest Side center CityView, and one at far West Side retail property Westpointe.
